

REGIONAL NEWS

CANADA

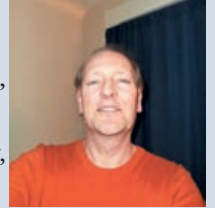

Editorial

Dear Readers: I hope you had a great summer! Here's some news that might interest you: As of 2025, the *Regional News Canada* insert - the pages you're currently reading - will appear five rather than four times per year. Perhaps ironically, this change comes on the heels of Swiss government cost-cutting measures. As a consequence, the Organisation of the Swiss Abroad - the

publisher of the parent magazine *Swiss Review* - will allocate funds to an extra regional issue (while reducing the number of times it publishes the *Swiss Review*). **All five editions of the *Swiss Review* will contain a regional news insert.** One hoped-for outcome is a more balanced distribution of regional content due to improved news flow throughout the year.

This change should benefit Swiss clubs and Consulates across Canada. In 2025, *Regional News Canada* will appear in January, April, July, October, and December. Enjoy!

Swiss Canadian Mountain Range Association (Metro Vancouver)

60 Years and still going strong!

2024 marks the Swiss Canadian Mountain Range Association's (SCMRA) **60th anniversary!** We're pleased to report that both membership numbers and participation levels are on the rise. The increase in actively participating young new members should help ensure the Club and property remain a going concern into the future.

This year, we organised the Swiss National Day celebrations jointly with the Swiss Society. Well over 500 people attended - a resounding success! Many stayed the weekend; more than 40 people showed up for breakfast on Sunday morning. Many thanks to Markus and Christiane Spycher for getting up early to cook.

The International Match saw increased participation this year.

The Founders Cup, sponsored by Doug and Collette Knight, has become a must attend event. 37 shooters and 58 people came for dinner. This year, the event honoured Walter Bürki, who was one of the founding members of the crossbow club and a long-time president. His daughter Christine Wiebe very generously donated crossbows, parts, and crossbow memorabilia to the Club. Thank you, Christine!

As I sit here at my desk, pondering where summer went, I hope everyone had a great one!

On June 16, our choir's Father's Day picnic was held at the Brodhagen Community Centre. The event was well attended, with lots of music and fellowship. On July 28, we had our Bundesfeier, an amazing day filled with music, camaraderie, food, and lots of fun. We're planning our AGM for November 2 at the Legion in Milverton.

I would like to wish all the kids a good first week of school!

The top three Lucky Buck shooters from left to right: Jim Paton, Lizze Gould, and Dan Meier

Film industry interest is on the rise; two films are currently committed to renting the SCMRA property / Chalet. The *Shôgun* series, which was in part shot on the property, was nominated for 25 Emmy Awards.

We've been invited to attend the annual Rütli and Morgarten shoots in Switzerland, to be held on November 6 and 15, respectively. The Club will be represented by 8 shooters at the Rütli and 10 at Morgarten.

We held our **60th anniversary celebrations** on August 25. The 60th Anniversary shoot recreated the original Lucky Buck shoot from the Club's opening ceremony in August 1965. As was the case then, participants were required to shoot the club carbines with full open sights. 24 shooters participated. Interestingly, it was the very newest SCMRA member who won the competition - congratulations to Lizze Gould for achieving the top score! Congratulations also to Jim Paton for placing second, and to Dan Meier for coming in third.

Dinner was a steak or salmon BBQ; a grateful thank-you to the Löffler family for donating the salmon. Dessert consisted of a generous slice of kirschtorte.

Swiss Cleantech Innovations in Alberta

The **2nd Swiss Innovation FEST** is currently underway. Spearheaded by the Consulate General of Switzerland, FEST events bring science and society together, demonstrating how innovations impact the present and future of everyone in the community. This year's FEST focuses on the role of clean technologies from Switzerland and Western Canada in fostering a sustainable future for all of us.

Join us in Calgary this October

For the first time, the FEST is taking place in two Western Canadian provinces - British Columbia and Alberta. We invite you to join us in Calgary from **October 9 - 23** to explore the *Can Tech Save the World?* exhibition. Located on the **University of Calgary campus in the EEEL Building**, the exhibition showcases cutting-edge Cleantech solutions from Switzerland and Alberta and their potential to advance global sustainability.

On October 9, the Consulate General of Switzerland and the University of Calgary will host a fireside chat entitled *Acceleration and Commercialisation of Cleantech Solutions*. Panelists from Switzerland and Alberta will discuss the critical role of policymakers, industry leaders, and academia in scaling up Cleantech innovations. Speakers will explore the synergies between Swiss and Canadian communities and inspire new international partnerships in Cleantech.

Let's innovate together!

Be part of the 2024 Swiss Innovation FEST! For the full programme, visit InnovationFEST.net. The FEST is another example of how Canada and Switzerland are advancing international collaboration in science and technology to address environmental challenges.

VOTRE COMITÉ 2024

YOUR 2024 COMMITTEE

Council of the Swiss Abroad / Conseil des Suisses de l'étranger

In 2025, a major innovation awaits the Swiss in Canada: the direct election of representatives to the Council of the Swiss Abroad (CSA). The first step will be to find motivated candidates. The CSA is the highest body of the Organisation of the Swiss Abroad. Its mission is to defend our interests with the Swiss authorities. The Council meets twice a year to discuss issues and make recommendations. Delegates also have the opportunity to engage in dialogue with Swiss parliamentarians on issues close to the hearts of their fellow citizens.

The following six delegates currently represent Canada:

- Thomas Arn, North Vancouver, BC (West);
- Antoine Belaieff, Toronto, ON (Ontario);
- Philippe Magnenat, Blainville, QC (East);
- Sam Oettli, Whitehorse, YT (West);
- Johann Roudit, Abbotsford, BC (West);
- Suzanne Schürmann, Mississauga, ON (Ontario).

To date, Canadian delegates have been appointed by local associations. To increase democratic representation, the Swiss associations in Canada have decided to adopt direct elections, joining ten or so other countries. **As of next spring, Swiss citizens registered with their Consulate who provide a valid email address will be able to vote for their regional representatives. The search for candidates is now underway.**

Eligible citizens may vote in one of three electoral districts:

- **East** (NB, NL, NS, NU, PE, QC);
- **Centre** (ON, MB);
- **West** (AB, BC, NT, SK, YT).

Profile of the ideal candidate: • Fluency in High German or French; • In addition to participating in online meetings, willingness to attend the Council's annual session in Switzerland (at the delegate's expense); • Unwavering commitment to the Swiss community and its interests; • Strong interpersonal skills to represent expatriates effectively.

Why apply? As a delegate, you'll have the opportunity to:

- Influence decisions that affect the lives of the Swiss abroad;
- Represent your community with the Swiss authorities;
- Meet Swiss people from all walks of life and discuss topical issues.

Important dates (subject to change): • January: Closing date for applications; • January: End of the electoral roll (deadline for updating e-mail addresses with the Consulates); • April / May: Online voting.

ANTOINE BELAIEFF

En 2025, une nouveauté majeure attend les Suisses du Canada : l'élection directe de leurs représentants au Conseil des Suisses de l'étranger. La première étape sera de trouver des candidats motivés. Ce Conseil, véritable Parlement de la Cinquième Suisse, est l'organe suprême de l'Organisation des Suisses de l'étranger. Il a pour mission de défendre nos intérêts auprès des autorités helvétiques. Le Conseil se réunit deux fois par an pour débattre et formuler des recommandations. Les délégués ont également l'opportunité de dialoguer avec les parlementaires suisses sur les enjeux qui tiennent à cœur de leurs concitoyens. Le Canada est représenté par six délégués au Conseil :

- Thomas Arn de North Vancouver BC (Ouest)
- Antoine Belaieff de Toronto ON (Ontario)
- Philippe Magnenat de Blainville QC (Est)
- Sam Oettli de Whitehorse YT (Ouest)
- Johann Roudit de Abbotsford BC (Ouest)
- Suzanne Schürmann de Mississauga ON (Ontario)

Jusqu'à présent, les délégués canadiens étaient désignés par les associations locales. Afin d'accroître la représentativité démocratique, les associations suisses au Canada ont décidé d'adopter un mode de scrutin universel, rejoignant ainsi une dizaine d'autres pays. **Au printemps prochain, chaque Suisse inscrit au registre consulaire avec une adresse de courriel valide pourra voter pour ses représentants régionaux. La recherche de candidats est d'ores et déjà ouverte.**

Chaque électeur votera dans une de trois circonscription :

- **Est** (NB, NL, NS, NU, PE, QC)
- **Centre** (ON, MB)
- **Ouest** (AB, BC, NT, SK, YT)

Profil du candidat idéal : • Maîtrise du haut allemand ou du français. • Disponibilité pour participer à la session annuelle du Conseil en Suisse en plus de réunions en ligne (frais à la charge du délégué). • Engagement sans faille envers la communauté suisse et ses intérêts. • Capacités relationnelles développées pour représenter efficacement les expatriés.

Pourquoi se présenter ? • En devenant délégué, vous aurez l'opportunité de : • Influencer les décisions qui touchent la vie des Suisses de l'étranger. • Représenter votre communauté auprès des autorités suisses. • Rencontrer des Suisses de tous horizons et échanger sur des sujets d'actualité.

Dates importantes : • Janvier : date de clôture des candidatures. • Janvier : fin des listes électorales (date limite pour la mise à jour des adresses électroniques auprès des consulats). • Avril / mai : vote en ligne.

Pour plus d'informations : www.swisscommunity.org ou vos contacts au Canada:

1. **Est** (NB, NL, NS, NU, PE, QC) : **Valérie Martinez**, vmburkardt@gmail.com
2. **Centre** (MB, ON) : **Charlotte Mariller**, charlottecmariller@gmail.com
3. **Ouest** (AB, BC, NT, SK, YT) : **Thomas Arn**, thomas@swissbo.com.

Edmonton Swiss Men's Choir Association and Edmonton Swiss Society

Edmonton Swiss Men's Choir Association (ESMC)

The ESMC would like to thank the Schweizer Männerchor Helvetia of Allegheny City (Pittsburgh, PA) for hosting the very enjoyable **44th Sängerfest of the North American Swiss Singing Alliance**. On June 21, 160 singers attended the grand concert in the auditorium of the Soldiers and Sailors Memorial Hall and Museum in Pittsburgh. This auditorium is known for its great acoustics. 2,000 seats face an almost 24m wide stage, which had chairs for every chorister except for The Toledo Swiss Singers, who sang from the balconies.

June 22 was competition day. In the nearby First Baptist Church, we performed Jean Daetwyler's Suisse romande song *Pays, terre ardente*. Our hard work and dedication bore fruit, and the judges awarded us with **Gold!**

The weekend was filled with several events throughout Pittsburgh, including a Molly's Trolley sightseeing tour and a very enjoyable Gateway Clippers' dinner cruise. June 23 concluded with an ecumenical church service and the closing ceremony. ESMC flag bearer Hermann Knupp proudly accepted the special wreath for the gold prize.

Please visit www.esmca.ca for more information about future events and on how to join the choir. Kindly "like" the ESS on Facebook under "Edmonton Swiss Society" and / or the ESMC under "Edmonton Swiss Men's Choir".

In early June, we were blessed with perfect weather for our yearly Landsgemeinde at Ol' MacDonald's Resort. We had a good turnout, and Joe was kept busy with people waiting in line to shoot the crossbow. He even allowed the kids to try it out (with some help from their parents). Watch out, William Tell!

Our August First celebration was again held at Maggie Naef's farm. Thanks to the Ribeye Butcher Shop in Sherwood Park, we were able to get the sausages for supper from Valbella. The salad table was loaded, and the nussgipfel were the perfect finish to a good meal.

Crossbow shooting, Jass games, the First of August speech, and an ESMC concert rounded out the evening. Unfortunately, due to the hot and dry weather, we couldn't light a bonfire.

Upcoming ESS events:

- October 12: Bowling night. Plaza Bowling. 10418 - 118 Ave., Edmonton;
- November 9: Fondue night;
- December 8: Samichlaus visit.

Ottawa Valley Swiss Club

On July 28, the Ottawa Valley Swiss Club (OVSC) had a blast hosting its annual Swiss National Day bash at the stunning Billings Bridge Estate in Ottawa. We were overjoyed to celebrate our traditional National Day with a fantastic mix of old pals and new faces.

The feast was a hit, featuring mouth-watering bratwurst, cervelats, and an array of Swiss wähen and nussgipfel. This year's highlight was the Duo Oz, who got everyone grooving with their festive tunes. It truly was a cheerful, sunny summer's day!

The kids had a blast with sack races, tug of war, a scavenger hunt, and a piñata packed with sweets just waiting to be demolished. We also had stone-tossing competitions for all ages. Everyone had fun striking a pose at our face-in-a-hole photo booth featuring famous Swiss figures like Federer, William Tell, and even Globi!

OLIVIA CRAFT AND KARIN FREEMAN

Urs Obrist from the Embassy of Switzerland in Canada gave an inspiring speech, and the Montagna Singers choir performed the Swiss national anthem beautifully. We toasted with Swiss red and white wine in honour of our homeland. As the sun set, the children marched around the estate with their colourful lampion lanterns in a magical parade, lighting up the evening in a truly enchanting way.

Matterhorn Swiss Club (Montreal)

Our last event, held in early July, was a big success - we attended Parc Safari in Hemmingford, south of Montreal. We had a good turnout of members with their children and grandchildren. The day began with a ride in open-air electric bush trucks through the area with various free-grazing animals. The children were delighted to have camels approach them, feeding them handfuls of lettuce.

We were then free to visit the rest of the park on foot, or to enjoy the water park, which was appreciated on a hot summer day. Later, we met at a St-Hubert barbecue restaurant for a good dinner. Everyone enjoyed this outing!

As usual, several of our members helped out at the First of August celebrations at Mont Sutton. This is a big event that requires numerous volunteers, so we are grateful to those who worked in different areas of the site.

In September, we visited an orchard south of Montreal; the event included lunch, cider tasting, and picking some apples.

Swiss Club Saskatoon

Our June BBQ was held on June 23 at Ronny Zimmermann's acreage just north of Asquith, SK, a short drive from Saskatoon. Ronny has a fabulous setup away from the house, having converted a horse shelter into a cookout / picnic / party area, perfect for the 25 adults and three children in attendance. There were plenty of tables, and everyone enjoyed a potluck style meal, having brought their own meat to barbeque and a side dish and / or dessert to share.

On July 28, Dora and Max Hug again hosted the Bundesfeier at their acreage. At 50, attendance was great (32 adults and 18 children). We had plenty of room, with tables set up in a large garage to stay out of the wind and sun. The children ran around outside, rode bikes, and played on the playground equipment. The Club provided sausages, some salads, and bread at no charge, and attendees brought more salads, sides, and desserts to share, as always.

Upcoming events (for more information, see our next newsletter):

- The AGM, which includes a meal, will be held on Sunday, October 27, at the Skychef Restaurant in Warman, SK;
- The Santa Potluck Party is scheduled for Saturday, December 7, at the Neuanlage Community Centre in Neuanlage, SK.

Yodel Club Heimattreu (Calgary)

It was a busy spring for us, then summer came along and we all had time to relax under the sun. In April, we hosted a spring concert with tickets selling out! It was amazing to see so many people showing an interest in Swiss culture and wanting to join us in its celebration. A big thank-you to all who came out, as well as to our guest performers - the Folk Dance Group Alpenrösli and the Alphorn Friends. Thanks to everyone's contributions, we raised \$1878 and collected 450 kg in food donations for the Calgary Food Bank.

Our trip to Rimbey was quite the event. Invited by our fellow neighbouring yodel club - the Wildrose Yodel Club - to perform at their Spring Fest, we sang, ate, and danced the night away. It's always a pleasure to sing alongside such wonderful people.

In June, we competed at the North American Swiss Singing Alliance's Sängerfest in Pittsburgh, returning home with **Silver!** Singing with full hearts, we shared the stage with three other yodel clubs and many choirs from all across North America. It was amazing to see everyone showcasing their skills, and spending time with talented singers.

Exciting news - we're now live on social media! We still have our website (<https://www.jkheimattreu.com>), but you can now also stay up to date on our activities and events on Instagram and Facebook. Make sure to keep an eye out for our posts and stories!
